

Loirston Nursery Newsletter

Welcome

Welcome back to all children and families, a special welcome must go to our new families who are starting at Loirston Nursery this term. We hope you all had a restful but fun summer and enjoyed the wonderful sunshine. It's great to see you all back with a lovely smile on your faces. We are delighted at how well the children have settled into Loirston Nursery at the start of this session.

Staying Safe

Thank you so much for your support in ensuring we keep everyone safe at Loirston during the return to nursery period and I am confident we have your continued support with this matter. You will find our **Risk Assessments** on the **Blog**. Here are a few reminders -

- Please adhere to the 2 metre social distancing rule at all times.
- Be patient when waiting to drop off/collect your child.
- Be prompt when dropping off/collecting your child and adhere to drop off/collection times to reduce crowding.
- Do not send your child to nursery if they have a dry continuous cough, high temperature and loss of taste/smell.
- Advise nursery staff immediately of any changes to emergency contact information.

We appreciate your support at this time.

Health and Wellbeing

This term, as part of our Recovery curriculum, our main focus will be on **Health and Wellbeing**, starting with learning more about our **emotions** and how we are **feeling**. You can support your child by discussing this further at home and we would love to see parents and carers posting on the ILD.
